Secy Treas. King E. Women's Institute,
King East,
Ontario.

Dear Miss Ferguson,

The Friends of France want to gratefully acknowledge the generous gift of fifty dollars from the Women's Institute of King East. It has come at an opportune time, as we are receiving many letters from authoritative sources, telling us that the need of the people in the freed districts is desperate, and begging us to go on with our work. We feel that money is the best thing to send them just now, it goes so quickly, and can often give immediate relief. Thanking you again, we are,

Faithfully yours

THE FRIENDS OF FRANCE,
(Mrs A. E. Wells) Mary B. Wells President
